ANIMAL HUSBANDRY, DAIRY DEVELOPMENT & FISHERIES (AH.III) DEPARTMENT

G.O. Rt. No. 586

**Dated: 2nd December, 2010,
Read the following:-**

1. From the Managing Director, A.P. Dairy Development Co-Operative Federation Limited, Letter No.177/P&I/2010 dated: 9.11.2010

ORDER:

In the letter first read above, the Managing Director, A.P. Dairy Development Co-Operative Federation Limited has reported that Government of India have sanctioned an amount of Rs.50.00 crores to A.P. dairy Development Co-operative Federation Limited for establishment of Bulk Milk Cooling Units under Rashtriya Krishi Vikas Yojana for the years 2007 -2008 to 2011-12. During the year 2010-11, the State Level sanctioning committee has allocated Rs.1.89 crores for the establishment of Bulk Milk Cooling Units under Rashtriya Krishi Vikas Yojana. He has further reported that under the Rashtriya Krishi Vikas Yojana and also under different other schemes of Government of India, 125 Bulk Milk Cooling Units have been set up and the milk procurement and processing capacity of A.P. Dairy Development Co-Operative Federation Limited has increased by more than 1.00 lakh litres per day. The Managing Director has suggested that the establishment of further Bulk Milk Cooling Units under Rashtriya Krishi Vikas Yojana may be postponed during the year 2010-11 and preference given to other components of Dairy sector.

2 After a detailed review of the matter, it is felt that now it is necessary to modernize and strengthen the milk handling capacities at the Dairy Plant in Hyderabad and particularly to replace the existing compressors and other equipment in the refrigeration Plant which are now found to be in-adequate to handle the increased quantities of milk being processed in the Dairy at Hyderabad. The Modernization and strengthen will also result in savings in energy as well as economies on water consumption. The Managing Director, A.P. Dairy Development Co-Operative Federation Limited has therefore requested the Government to re-allocate the funds for the proposed modernization of Refrigeration Plant at a total cost of Rs.1.89 crores at Milk Products factory, Hyderabad instead of spending the funds for establishment of Bulk Milk Cooling Units under Rashtriya Krishi Vikas Yojana during the year 2010-11.

3 In view of the above circumstances, Government hereby order for re-allocation of the funds of Rs.1.89 crores to taken up Modernization of Refrigeration Plant at Milk Products Factory, Hyderabad instead of spending the same for establishment of Bulk Milk Cooling Units under Rashtriya Krishi Vikas Yojana during the year 2010-11.

(P.T.O)

4 The approval of the Chief Secretary to Government & Chairman, State Level Sanctioning Committee on Rashtriya Krishi Vikas Yojana has been obtained for re-allocation of funds stated at Para 2 above.

5. The Managing the Director, Andhra Pradesh Dairy Development Cooperative Federation Limited, Hyderabad is requested to take necessary action accordingly and also requested to place the above matter before the next meeting of the State level Sanctioning Committee on Rashtriya Krishi Vikas Yojana.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
